Annual Fund Raising Auction!!!

We will have our auction this year, March 25, 2006. This year we hope that every family will be able to participate in the event. We also would like each family to help make this fundraiser the best ever! Each family can help by doing one of the following things: Donate an items that you or a family member have made or will make, it could be a quilt, basket, pottery; what ever your special talent is. We know our school has many creative talented people! It could be a special item that you cannot use anymore or that you don't have room for. We have several artists that have volunteered one of their works of art. Think about helping opportunities; such as being a critter sitter, childcare provider, handyman, beautician, massage therapist, car service, cooking service or house cleaner. We also would like to see donations from restaurants, spas, Bed and Breakfasts, bike shops and camps. We will also accept cars or trucks that are in good working order...the sky is the limit! Please start thinking about what you could offer or connections that you have that would make this event successful. Contact Sheila Kelly 685-9791 with any questions.

Congratulations Kayla & Cory Sciupider!!

Kayla & Cory recently competed in the 7th Annual Crown Cup. Each won their Individual and Team competitions. NC defeated SC for the 3rd consecutive year. Congratulations!!!

Thank You Information

Saying thank you is so important. I don't think we do it nearly enough as individuals. Our school has also been remiss in saying thank you to a number of people. In an attempt to correct this oversight, we are attempting to gather names and addresses of any individuals or groups that have helped our wonderful school during the last seven years. Please help us by turning in the names and addresses of anyone that has provided assistance to our school through services or by monetary contributions at anytime during the history of our school. We wish to extend a heart felt thank you to everyone that has helped touch the lives of our wonderful students. You can turn in the information in the office to Mrs. Lori or send an email to Mr. Hamby at chamby@mchsi.com
